PROPOSED FOR MEMBERSHIP

Mike Loden has been proposed by Rodney Smith in the dental classification. Loden shares a private practice with his wife, Dr. Amy Loden, and father-in-law, Dr. Carl Shaw, in Warner Robins. He specializes in adult restorative and implant dentistry.

A 1992 graduate of Warner Robins High School, Loden holds degrees from the University of Georgia (1996) and the Medical College of Georgia (2000). He completed his residency in advanced general dentistry at the University of Oklahoma.

Loden is a past president of the Central District Dental Society, and currently serves on the Georgia Dental Association Board of Trustees, Warner Robins Area Chamber of Commerce Board of Directors, and the Middle Georgia Technical College Foundation Board of Trustees. He is chairman of the Houston County Heritage Foundation, and is active in numerous other community organizations.

Loden enjoys hunting, fishing, golf, serving in his church ministries, and spending time with his wife and their newborn son, Blake.

THIS MONTH IN THE ROTARIAN

Watch your mailbox for the November issue of *The Rotarian* magazine, with a cover story on world-renowned violinist (and polio survivor) Itzhak Perlman. In the profile, the maestro talks about how he accommodates his disability, honors his art, and still manages to fiddle around. Also, an interview with conductor James DePriest, a polio survivor who benefited from Perlman's advice.

Also in this month's *Rotarian*:

How to Save the World - Think of the world's ills as an apple, and approach it in small bites. Healing happens one person at a time.

The Virtue of Small Change - The Rotary Foundation supports eight cheap ways to improve the quality of life among people in the developing world.

Up Front - Darrell Zimmerman grows sunflowers to fight polio

Up Front - Cleft palate care in China

Insider - Kalyan Banerjee, choice for 2011-2012 RI president
