THIS MONTH IN THE ROTARIAN

Watch your mailbox for May's issue of *The Rotarian* magazine, which includes an in-depth interview with Bill Gates on what he gets by giving. He's putting time and money into changing the nature of giving, and making the world polio-free while he's at it.

Also in this month's *Rotarian*:

The Motorcycle Diaries - Writer James R. Petersen tries to see how many Latin American club projects he can visit in five weeks.

Talking to Rotarians - Humorist Joe Queenan is invited to speak about his wife to the local Rotary club, and tries not to embarrass her - too much.

Putting Children First - How Rotary has responded to the RI president's call to lessen child mortality at the club and district level, and a blueprint for the future.

Up Front - A home for boys at risk

ROTARY E-CLUB OF THE WEEK

Did you know there are several Rotary E-Clubs? This is the latest in a series spotlighting these alternate clubs you can visit, virtually.

The Rotary E-Club of Latinoamérica, District 4200 is entirely in Spanish. However, web-savvy English-speaking Rotarians can easily translate the site using Yahoo's Babel Fish feature (babelfish.yahoo.com).

Rotary E-Club of District 4500 offers online makeups here:
