Author and newspaper columnist Ed Grisamore introduced Durwood Fincher, aka "Mr. Doubletalk," who is the subject of his sixth book, "Once You Step In Elephant Manure You're In The Circus Forever."

Grisamore said the book was the most rewarding writing project he has ever worked on.

Discovered by Allen Funt of "Candid Camera" fame, Fincher has made a career as a corporate speaker and entertainer for the past three decades.

"He starts a sentence making sense, and he ends a sentence making sense, but in the middle there's a bunch of phonetics and jibberish," Grisamore said.

Fincher shares some reminiscences, and ended his talk with a video presentation illustrating his technique as he pranked members of the Boston Red Sox for his buddy, John Smoltz.
