PROGRAM REPORT

Aug. 4, 2009

Carl Candiano, Dance Houston County, USA Dance Chapter 6100

Candiano, a civil engineer who works at Robins Air Force Base, introduced the club to the local chapter of USA Dance, of which he is vice president.

The ballroom dance community organized the club three years ago, and Candiano has been an active member almost from the start.

He described their activities as the "ultimate contact sport," even when compared to football or basketball.

"Instead of knocking people out, I'd rather hold a beautiful woman in my arms," he joked.

Local dancers gather almost every weekend, either in Macon or Warner Robins. He said not only do members of the club have fun and enjoy a wealth of camaraderie, but also dance is good for physical and mental health.

Candiano announced a charity dance event slated for 6:30-11 p.m. Aug. 29 in the Century of Flight Hangar at the Museum of Aviation. The event will benefit Hearts to Heroes and the Wounded Warrior Project. For more information, call Candiano at (478) 919-0624.
